### Description

Air nibbler is manufactured to cut up to 1.2mm steel without leaving burrs or deformed edges. Compact and lightweight design, the tool easily can be operated with one hand. The air nibbler has an adjustable die which can be placed in various cutting positions to suit the application.

### Features

- 1.2mm Mild steel capacity
- 2.0mm Aluminium capacity
- Air inlet 1/4" BSPT
- Replacement Cutters A082A
- Front exhaust
- Lightweight Aluminium diecast body
- Ideal tool for curved and profile cutting such as automotive body repairs and all other sheet metal applications.
