ORDER CODE:	C347A
Size (Litre):	1
ISO Standard:	ISO 32
Suits Compressor Voltage (V):	240

### Description

1 LITRE, AEGIS OIL, 30 GRADE TO SUIT 240V COMPRESSOR, ISO 32, VIRGIN OIL

APPLICATIONS, A specially blended oil with properties making it suitable for use in most reciprocating & oil-flooded screw type compressors. Blended to conform with ISO 32 specifications.

BENEFITS, Reduces filter blockages, Works to combat condensation, Protects against rusting & has low carbon forming properties.

### Features

- ISO 32
- Reciprocation compressor oil
- Suits 240 Volt & portable engine driven air compressors
