RECORD POWER

Description

Record Power scroll saw blades are a premium quality range of blades made in Germany. They have been specifically chosen to offer cutting solutions to the vast array of possibilities a scroll saw offers and include both plain and pin end types. Depending on blade thickness, width, tooth patterns and numbers, these blades will cut a large number of materials, including hardwood, softwood, MDF, plywood, plastic, non ferrous metals and horn.

Features

- SSB-PINS2019 Pack of 12 Skip Tooth Pin End HSS 9 TPI Scroll Saw Blades
- The width of these pin end blades makes them ideal for straighter and more arduous cuts, such as deep hard woods. The tooth pattern makes them ideal for faster cutting as they provide better chip clearance than standard tooth patterns.
- 2mm wide, 0.25mm thick, 18.5 TPI
