#### Description

The UTS-1 Universal Tool Stand is the perfect solution for mounting a variety of bench machinery, including Thicknessers, Routers, Band-Saws, Sanders, Wet Stone Grinders, and more. With a robust 100kg load capacity, it offers a stable 335x600mm top surface and a height of 775mm. The stand also features 4x Ø10mm top mounting holes (280x540mm centers), making it versatile and easy to adapt to your equipment.

Note: Some modifications to the top plate may be necessary to fit your machine.
